Terms of Enrollment Agreement

1. Teen counselors and parents/caregivers agree to abide by rules and regulations set by Directors for health, safety, and welfare of campers.
2. Camp is not responsible for teen counselor's equipment or personal belongings.
3. Directors reserve the right to deny, cancel, sever, or suspend a teen counselor's enrollment if deemed for the best interest of the teen counselor or the camp, in which case the unused teen counselor fee will be refunded.
4. The teen counselor \$135 fee must be paid in full upon registration. No reduction or allowance will be made for late arrival or early withdrawal of a teen counselor. No allowance will be made for any interruption in the camp week due to illness, family vacation, etc. **Payments are refundable prior to May 24th.** After May 24th, the deposit will be refunded less \$25. There is a \$25.00 fee for returned checks.
5. Parent/Caregiver signature further gives teen counselor permission to participate in all camp activities. I understand that part of the camping experience involves activities, group arrangements and interactions that may be new to my teen counselor. These things come with certain risks and uncertainties beyond what my teen counselor may be used to dealing with at home. I am aware of these risks, and I am assuming them on behalf of my teen counselor. I realize that no environment is risk-free, and so I have instructed my teen counselor on the importance of abiding by the camp's rules. My teen counselor and I both agree that he or she is familiar with these rules and will obey them.
6. Parent/Caregiver signature further gives camp permission to use teen counselor's likeness or image in camp publications including but not limited to FAACT's website, brochures, social media platforms, and other on-line postings.
